

EduCore — User Manual

This manual explains how to use EduCore as a **Student** or a **Teacher**.

- **Live app:** <http://educoreasp.runasp.net/>
- **Demo teacher:** email `teacher@educore.local` , password `Teacher@123`

1. Getting Started

1. Open the app URL. You'll land on the **Login** page.
2. If you already have an account, log in. Otherwise click **Sign up**.

Creating an account (Sign up)

1. Click **Sign up** on the login page.
2. Fill in first name, last name, email, phone, and a password (min 6 characters).
3. Choose **I am a: Student** or **Teacher**.
4. Click **Create Account** — you're signed in and taken to your home page.

Emails must be unique. Use the  button to reveal your password while typing.

Logging in

1. On the **Login** page, choose the **Student** or **Teacher** tab.
2. Enter your email and password → **Sign In**.
3. Teachers land on the **Dashboard**; students land on **My Courses**.

Logging out

Click **Logout** (top-right of the page).

Your profile

Click your **avatar** (top-right) or **My Profile** in the sidebar:

- **Personal Info** — view your details
- **Edit Profile** — change name, email, phone (teachers also have a Biography)
- **Password** — change your password (enter current + new)

2. Student Guide

Browse courses

- **Browse Courses** (sidebar) shows all courses open for enrollment.
- Use the search box to filter by course or teacher name.
- Click a course to open its **details** page (curriculum, instructor, price).

Enroll in a course

On a course's details page:

- **Free course** → **Enroll Now (Free)**.
- **Paid course** → **Enroll — EGP X** → the **Checkout** page.
- **Already enrolled** → **Go to Course**.

Enroll in a single class (à la carte)

Some courses let you buy **individual classes** instead of the whole course. On the course details page, each class row shows:

- **Open** — you already have access
- **Enroll — EGP X** or **Enroll (Free)** — buy just that class
- **Enroll in the course** — this class isn't sold separately

Some courses are **class-only** (the whole-course button is hidden) — you buy classes individually.

Paying (Checkout)

1. Paid enrollment opens **Checkout**.
2. Select a saved payment card, then click **Pay EGP X**.
3. If you have no card, click **Add a card** first (see below). Payment is **simulated** — no real charge.
4. After paying you're enrolled and taken into the course.

Payment cards

Payment Cards (sidebar):

- **Add Card** — cardholder name, card number, expiry (MM/YY), CVV.
- View saved cards (shown masked, e.g. **•••• 4242**) and remove them.
- See your **Purchase History** (item, amount, card, date).

My Courses & learning

- **My Courses** lists everything you're enrolled in (full courses and individually-owned classes).
- Open a course → see its **classes** and **exams**.
- Open a class → **watch videos**, **download PDFs** (lecture notes / homework), and see its **quizzes**.

Taking a quiz or exam

1. From a class, click **Take Quiz** (or from a course, **Take Exam**).
 2. If there's a **time limit**, a countdown appears and the quiz **auto-submits** when it hits 0:00.
 3. Select one answer per question → **Submit**.
 4. You'll see your **score** and **per-question feedback** (correct answer in green, your wrong pick flagged).
 5. You can **Retake** — the class/course page shows your **last score**.
-

3. Teacher Guide

Dashboard

After login, the **Dashboard** shows:

- Totals: courses, students, classes, quizzes & exams
- Your course cards
- **Recent Student Activity** — latest quiz/exam attempts by your students

Create & manage courses

- **New Course** (sidebar) → name, price, and toggles:
 - **Open for Enrollment** — list it in the catalog
 - **Allow buying the whole course** — turn **off** to make it **class-only**
- **My Courses** → **Edit**, **+ Class**, **Exams**, or **Delete** per course.

Classes

- From a course, **+ Class** (or **New Class**) → name, price, **Open for individual enrollment** toggle, and PDF links (lecture notes / homework).
- Each class can hold **videos** and **quizzes**.

Videos

- On a class, **Videos** → **+ Add Video** → title + URL.
- Paste a **YouTube**, **Vimeo**, or direct **.mp4** link — it embeds automatically.

Quizzes (per class)

1. On a class, **Quizzes** → **+ New Quiz** → title + **time limit (minutes)** (0 = no limit).
2. **Manage Questions** → **+ Add Question**:
 - Question text
 - Answer choices — **one per line**
 - **Correct choice number** (e.g. = the second line)
3. **View Results** to see who took it, their scores, and the average.

Exams (per course)

Same as quizzes, but attached to a **course** and reached via a course's **Exams** button.

Results

On any quiz/exam, **View Results** (or the **Results** link) shows:

- Sales/attempt stats: attempts, distinct students, average %
- A table of each student's score, %, and date

Revenue

Revenue (sidebar) shows your earnings from sales:

- Gross revenue, platform fee, and **your earnings** (you keep **80%**, platform takes **20%**)
- A sales history with your share per sale

4. Tips & Notes

- **Currency** is Egyptian Pound (EGP) throughout.
- **Payments are simulated** for this project — never enter a real card number.
- If a page says "access denied," you're signed in with the wrong role for that area.
- Forgot to enroll? Content pages are locked until you enroll in the course or that class.
