

User Stories & Use Cases

User Stories:

As a teacher:

- As a teacher, I want to register an account and log in so I can access my dashboard.
- As a teacher, I want to add a new course with a name and price, and control whether it's open for enrollment.
- As a teacher, I want to split a course into "classes" (units), each with its own price and PDF files for lecture notes and homework.
- As a teacher, I want to add videos to each class (YouTube link or a direct link) with a clear title.
- As a teacher, I want to create a quiz per class and an exam per course and add multiple-choice questions to them.
- As a teacher, I want to edit my profile (name, email, phone, biography) and change my password.
- As a teacher, I want (in a future phase) to see student results for each quiz/exam and average scores.

As a student:

- As a student, I want to register an account and log in with a "student" role.
- As a student, I want to browse the catalog of available courses and view course details before enrolling.
- As a student, I want to enroll in a course for free (current system) and find it under "My Courses."
- As a student, I want to access the content of courses I'm enrolled in (videos, PDFs, and lists of quizzes/exams).
- As a student, I want to take a quiz or exam and see my result immediately after submission (auto-grading), with feedback per question.
- As a student, I want to edit my profile and change my password.
